RE: Stream Flow Regulations

Dear Mr. Stacey:

This letter is to inform you that having read through the regulations that are proposed, we are basically in agreement with them with the exception to the Class 4 designation. Class 4 rivers would have no environmental standards to protect them and essentially they would be abandoned. Please eliminate the Class 4 designation.

Thank you for your attention in this matter.

Respectfully,

Paul & Sandra Stetson
542 Middletown Avenue
North Haven, CT 06473
